

## Special 3 year warranty conditions GA480 automatic mixer

Subject to the following Conditions, Exceptions and Exclusions, Fast & Fluid Management will provide a special 3 year warranty (with a maximum of 30.000 cycles) as described below on GA480 automatic mixer ordered from and invoiced by Fast & Fluid Management between May 01 2016 and December 31 2016:

- Components and parts in each eligible GA480 automatic mixer will be warranted by Fast & Fluid Management for a period of 3 years from invoice date of the GA480 automatic mixer. Replacements for components and parts covered by the warranty that fail during the warranty period will be provided at no charge. Replacements for components and parts that are not covered by the warranty or for components and parts that fail more than 3 years after the invoice date of the GA480 automatic mixer will be charged at Fast & Fluid Management's standard list prices in effect at the time of replacement.
- The equipment must be operated and maintained in accordance with all instructions, precautions and warnings contained in its manual.

### Conditions, Exceptions and Exclusions:

This special 3 year warranty is subject to the following conditions:

- Warranty claims should be made by email at [fsn-service@idexcorp.com](mailto:fsn-service@idexcorp.com) or by contacting a local Fast & Fluid Management Authorized Service Representative. Providing him with the invoice date and a picture of the serial number plate and cycle count of the GA480 automatic mixer. The cycle count is shown after the software version, in the display when the machine is switched on.
- The operator of the GA480 automatic mixer that is the subject of a warranty claim must be available by telephone for at least 30 minutes after the warranty claim in order to identify the issue and attempt to resolve the issue without sending parts.
- Fast & Fluid Management will not be liable or responsible for any work or service performed by anyone other than Fast & Fluid Management or one of its Authorized Service Representatives or a technician expressly approved in writing to perform the service or work on its behalf by the Fast & Fluid Management Service Manager.
- Fast & Fluid Management may require that any component or part that is replaced be delivered to it for inspection and evaluation. If the inspection and evaluation reveals that there was no defect or that the failure, malfunction or issue with the component or part was not covered by the warranty, Fast & Fluid Management shall have the right to charge the customer for the replacement at Fast & Fluid Management's standard list price in effect at the time of replacement.

This special 3 year warranty covers, extends and applies to, and includes only to:
